

SAMPLE TEST

Essay Writing

Write an essay based on the prompt and the directions provided below:

1. Your essay will include a good introduction with a suitable thesis statement
2. Your essay will include two (2) body paragraphs
3. Your essay will include a conclusion which summarizes the main ideas of the essay
4. Your essay will be between 250 and 300 words.

You will be graded on the following components:

1. Whether you answered the question of the prompt or not
2. Your language (grammar, punctuation, spelling ...)
3. Your organization of ideas
4. Whether your essay has all the components or not
5. Your proper use of transition signals, vocabulary, unity, clarity and coherence.

Prompt

Education is the right of every human being and it is the key to success in life. However, not everyone has access to education for a reason or another. Discuss the reasons that make education an important part of every person's personal and professional development. Provide at least two reasons to justify your answer. Make sure your ideas are properly supported by specific examples.
